

Mini Project Ch. 3

Build a website template for your future high school choir students and parents.

- Home page
 - Introduction to the school and brief description about each choir
 - Background pictures
 - Note any major awards won
 - Any major announcements such as upcoming auditions
 - Newsletter sign-up link
- About page
 - Sub pages about each choir
 - List times when they meet
 - Location
 - Brief description of ensemble
 - Include video or recording at the bottom of each subpage of choir singing
- Choir Director page
 - Include bio and contact information
- Performance and Event Schedule page
 - Interactive with links including descriptions on each event noted on calendar
 - Any important announcements pertaining to concerts (also listed on main page)
- Store and Uniform page and subpages
 - Brief description of required concert dress
 - Links to purchase and information for parents
 - Choir Store
 - CDs and online audio purchases of past concerts
 - Choir T-Shirts, Pens, Pencils or Bumper stickers
- Giving Page
 - Using Vendini or other similar website, a created giving page which allows parents and donors to submit gifts with full descriptions as to current financial needs.
 - Information regarding any current fundraisers, how to purchase and how to become involved
- Student Page
 - Rehearsal links
 - Important reminders per ensemble
